

RTA First Response to Questions
October 18, 2022

- In section VII it states that Consulting Proposed Staffing Plan (Attachment E) does not count towards the page count – Did you mean Attachment B? ***The Consulting Proposed Staffing Plan is Attachment B.***
- Does the Required Forms Section (Attachments A-E) count towards the page count? ***The Required Forms Section (Attachments A-E) does not count towards the maximum allowable number of pages.***
- In section VIII part 1 it says g. Required Forms (Exhibit 1) – where can we find Exhibit 1? ***The Required Forms are found in Attachments A-E. Please disregard the reference to Exhibit 1.***
- Are we to submit the requested Standard Form (SF) 255 (which is provided in the RFP), or are we to submit a SF 330? ***Please submit SF 255 (and SF 254 as indicated on SF255 for Consultants/Associates not in a joint-venture with the Prime).***
- On SF255, question 6 it asks: If respondent is not a joint-venture, list outside key Consultants/Associates anticipated for this project (Attach SF 254 for Consultants/Associates listed, if not already on file with the Contracting Office).
Do you have a list of Consultants/Associates on file with your office for us to compare to our list of subconsultants? ***The RTA does not have a list of Consultants/Associates on file.***

An addendum to the RFP reflecting these changes to Sections VII and VIII of the RFP will be posted to <https://rtaok.org/doing-business/procurement/>.
